

Canadian Institute of Forestry
Institut forestier du Canada

The Canadian Institute of Forestry (CIF) in collaboration with the Forestry Research Partnership (FRP) is proud to present the inaugural Forest Science Marketplace.

FOREST SCIENCE MARKETPLACE.

This three day event will take place March 23 - 25, 2010 at the scenic Canadian Ecology Centre (CEC) in Mattawa, Ontario. Participants will be invited to explore the fascinating world of forestry, including a first hand look at today's cutting edge technology. In addition to presentations, demonstrations and interactive discussions, facilitated by forestry professionals, participants will be given the opportunity to try their hand at GPS, snowshoeing, wolf howling and many more exciting outdoor activities...
