Making Your Continuing Education and Professional Development Easy and Inexpensive!

Raising the Profile of Forest Professionals

- Speaking to the Public: Balanced, science-based media releases and editorials on relevant forestry-related topics
- Promoting understanding of good forest stewardship to all political parties
- Liaison and dialogue with the Canadian Council of Forest Ministers
- Leading a National Post-Secondary Forestry Recruitment Program – Think Forests!
- New *Forests without Borders* international volunteer program
- Recognizing excellence in forestry with national, regional and college/university awards

Re-establishing the Institute as The Voice of Forest Practitioners... To speak with a louder voice, we need you!

Appreciation
