

## AUTHOR'S RIGHTS

The Canadian Institute of Forestry/Institut forestier du Canada (CIF/IFC) recognizes the importance of sharing significant research and professional information among forest practitioners and the scholarly community.

### Authors will retain the right to:

- Place a draft of their accepted article(s) on their Web site or their organization's server, provided that it is not amended once accepted for publication by CIF/IFC – *The Forestry Chronicle*. We request authors to insert hypertext links from their preprints to the CIF/IFC web site <http://pubs.cif-ifc.org/loi/tfc>
- Post an article on their Web site or their organization's server six months from the CIF/IFC original electronic publication date. The author must include CIF/IFC – *The Forestry Chronicle* copyright notice and acknowledge the article's source. We request authors to insert hypertext links from their preprints to the CIF/IFC web site <http://pubs.cif-ifc.org/loi/tfc>. Authors may receive a .pdf of their article as it appears in *The Forestry Chronicle* for a fee.
- Make copies of their article(s) in electronic or paper format, for personal or educational use within the home institution provided no financial gain is realized.
- Reproduce their article(s), in electronic or paper format, for placement in the home institution's reserve collection.
- Re-use all or part of their article(s) in subsequent publications provided the source is acknowledged and no financial gain is realized.

CIF/IFC – *The Forestry Chronicle* must retain certain rights in order to conduct day-to-day business for the benefit of the authors, forest practitioners and the scholarly community and CIF/IFC

### CIF/IFC will retain the right to:

- Negotiate agreements with secondary publishers and other third parties to further the dissemination of the published information.
- Administer copyright for all published materials to permit the above negotiations and to facilitate the process of granting permission to reproduce.
- Republish articles in alternate formats and editions.
