FIRE
FIGHTING PUMP

These outfits are replacing many
men and doing work impossible
by any other method.

Send for Information.

THE CANADIAN
FAIRBANKS-MORSE
CO., LIMITED

Offices in
Every large
Canadian City.

Figure 3: This is the first advertisement to appear in *Canadian Forestry Journal* (April 1919) that depicts the connection between forest fire suppression activities and the aircraft. Note that this advertisement pre-dated commencement of aerial fire patrols in Canada by three months.
