

Description:

BC Public Service -> FLNRO and Rural Development

Vanderhoof, BC

Planning Forester

\$56,662.05 - \$70,770.36 annually

**Join a dynamic team of forestry management professionals in Vanderhoof.**

The Planning Forester analyzes and produces a wide range of data to develop integrated resource and operational plans, primarily the Forest Stewardship Plan (FSP) and operating plans. The position develops and implements results and strategies to meet the FSP and ensures planning components meet legislative, operating, and certification requirements. The position provides functional direction to field team professionals and technicians with expertise in timber development, harvesting, engineering and silviculture. The position builds and maintains relationships with representatives from First Nations, resource stakeholders, Ministry and industry contacts.

The BC Public Service encourages a healthy work/life balance that enables you to take advantage of the community and surrounding area in which you live. Consider this exciting opportunity to live and work in the thriving and vibrant British Columbia community of Vanderhoof. Vanderhoof is surrounded by the beautiful panorama of the BC outdoors, offer year-round, unlimited outdoor activities, amazing cultural opportunities and a welcoming, small town atmosphere. To learn more, please access the web links provided.

Working for BC Public Service offers a competitive salary, diverse work environment, a healthy work/life balance, and excellent benefits. In addition to the base salary for Professional Employee Association members, there is an allowance to cover professional fees, strong dental and medical plans and much more. Salary listed does not include the additional 7% Overtime Shift Standby (OSS) provision that can be taken as time off or salary on an annual basis which is on top of four (4) weeks annual leave.

Qualifications for this role include:

- A Registered Professional Forester (RPF), or be eligible for registration as an RPF with the Association of BC Forest Professionals (ABCFP) and two years (gained within the last five years) of experience in operational forestry such as forest tenures, cut-block and road development, engineering, silviculture, harvest operations or compliance and enforcement.
- Must possess at minimum a valid Class 5 B.C. Driver's License that does not limit or restrict the ability to conduct the duties of the job.
