Under the direction and supervision of the Area Supervisor, the Forestry Field Coordinator provides technical and administrative services in the fields of harvesting, planning, and silviculture. The successful applicant will be responsible for ensuring personal, company, and contractor safety in all areas of the workplace.

The Forestry Field Coordinator interfaces internally with woodlands staff. External relationships will include contractors and government agencies in addition to other key stakeholders.

Qualifications:

- University Degree or Technical Diploma in Forestry;
- Active Registered Professional Forester (RPF) or Forest Technician (RFT) designation; or be eligible for registration with CAPF or CAPFT;
- General understanding of forest policy, guidelines, and regulations;
- Possess a positive attitude and high degree of motivation;
- GPS/GIS experience would be an asset;
- Attention to detail and a willingness to learn are a necessity;
- Team players with strong organization, communication, supervisory and computer skills;

About Tolko:

With state-of-the-art operations across Western Canada, Tolko is a leading manufacturer of a wide range of forest products for customers around the world. For over 60 years, our family-owned company has been recognized by our customers and business partners for being reliable, flexible, efficient and offering quality products. With the third generation of family leadership, we're continuing that legacy today in our mills throughout Western Canada.

At Tolko, our values, vision and mission aren't just what we believe. They're how we work, live and serve our customers every day. Fundamental to our success is a committed workforce that thrives on change, building relationships, and a drive toward excellence.

We are committed to the well-being of future generations through responsible operational and environmental performance. This commitment applies to all aspects of our business. We hold third-party certification on the forestlands that we sustainably manage in BC, Alberta and Saskatchewan. And, through our community investment strategy we strive to play an active and constructive role in the communities where we live and work. Whether we're providing jobs, volunteering or giving through donations, we work to make our communities stronger and more vibrant through active participation.

When you join Tolko, you're saying yes to a company that has been built on integrity, respect, and by providing employees with the inclusive environment, support and opportunity they need to make great things and build great lives.

We're more than an industry leader. We're the place where you succeed as our most valuable resource!

We offer:

- An unyielding commitment to your personal safety
- Competitive pay and exceptional benefits
- The opportunity to work with the best and brightest in the industry
- Diverse opportunities
- An open, innovative culture
- A positive, dynamic work environment
- Technical and leadership training to ensure you work successfully and safely
- The chance to live (and play) where you work
