

## **Harvesting Supervisor Prairie Woodlands; High Level, AB**

### **Position Overview:**

Under the direction of the Harvesting Superintendent, the Harvesting Supervisor is responsible for all operational activities. The Harvesting Supervisor is accountable to provide input to forest planning, harvesting and hauling, road layout and construction, and block layout in accordance with predetermined key production, safety and financial performance targets ensuring that all Company operations comply with government regulations.

### **Qualifications:**

- The incumbent must have recognized forestry training or equivalent experience;
- Active Registered Professional Forester (RPF) or Forest Technician (RFT) designation; or be eligible for registration with CAPF or CAPFT;
- The incumbent should possess technical forestry and logging related skills as well as a thorough understanding of forest policy, guidelines and regulations and other applicable forestry legislation;
- The successful applicant is required to be a self-starter with excellent organizational, interpersonal and communication skills, and must possess the ability to work with minimal supervision and changing priorities;
- The ability to pay keen attention to detail is essential and must have working knowledge of standard computer programs;
- The ability to work safely outdoors in an operations environment in all weather conditions;
- The incumbent must be able to operate in a team environment as well as manage relationships with contractors, government agencies, and other outside resources.

### **About Tolko:**

With state-of-the-art operations across Western Canada, Tolko is a leading manufacturer of a wide range of forest products for customers around the world. For over 60 years, our family-owned company has been recognized by our customers and business partners for being reliable, flexible, efficient and offering quality products. With the third generation of family leadership, we're continuing that legacy today in our mills throughout Western Canada.

At Tolko, our values, vision and mission aren't just what we believe. They're how we work, live and serve our customers every day. Fundamental to our success is a committed workforce that thrives on change, building relationships, and a drive toward excellence.

We are committed to the well-being of future generations through responsible operational and environmental performance. This commitment applies to all aspects of our business. We hold third-party certification on the forestlands that we sustainably manage in BC,

Alberta and Saskatchewan. And, through our community investment strategy we strive to play an active and constructive role in the communities where we live and work. Whether we're providing jobs, volunteering or giving through donations, we work to make our communities stronger and more vibrant through active participation.

When you join Tolko, you're saying yes to a company that has been built on integrity, respect, and by providing employees with the inclusive environment, support and opportunity they need to make great things and build great lives.

We're more than an industry leader. We're the place where you succeed as our most valuable resource!

**We offer:**

- An unyielding commitment to your personal safety
- Competitive pay and exceptional benefits
- The opportunity to work with the best and brightest in the industry
- Diverse opportunities
- An open, innovative culture
- A positive, dynamic work environment
- Technical and leadership training to ensure you work successfully and safely
- The chance to live (and play) where you work
