THE FOREST ON YOUR DESKTOP - LA FORÊT SUR VOTRE BUREAU

**SPECIAL E-LECTURE SERIES:  
OPFA Updates and Enforcement Activity**

Join in to hear what is happening at the OPFA on a number of initiatives including its enforcement program. Like all regulators in Ontario responsible for governing their members, the OPFA has an enforcement program. The number of enforcement actions is growing as more people become aware that professional forestry is regulated. Increased public awareness has also led to an increase in new members. Find out what you and your colleagues can do to protect the public and reduce your exposure to complaints.
