J Michael Waldram Memorial Model Forest Fellowship

CALL FOR APPLICATIONS

Dear Student,

The Canadian Model Forest Network and the Canadian Institute of Forestry are pleased to announce the call for applications for the J. Michael Waldram Memorial Model Forest Fellowship.

The Fellowship, valued at \$1,000, is open to Canadian Aboriginal youth enrolled in either a degree or diploma program in natural resource management at an accredited Canadian university or college. The Fellowship is jointly administered by the Canadian Institute of Forestry (CIF-IFC) and the Canadian Model Forest Network (CMFN) and has been awarded annually since 2008.

We would be pleased if you were interested in applying for consideration for this Fellowship. The criteria and application form are attached. An original of the completed application form must be received, by registered mail or courier, to the Canadian Institute of Forestry national office by **May 15, 2020**.

If you have any questions, please contact the CIF-IFC at (705) 744-1715 ext 585 admin@cif-ifc.org.

J. MICHAEL WALDRAM

Memorial Model Forest Fellowship

The Canadian Model Forest Network has established the J. Michael Waldram Memorial Model Forest Fellowship, offered as part of the suite of awards bestowed annually by the Canadian Institute of Forestry. The first Fellowship was awarded in 2008.

J. Michael (Mike) Waldram was the General Manager of the Manitoba Model Forest since its inception in 1993, until his passing in January 2006.

Mike strove to enhance the participation of Aboriginal peoples in the Model Forest program as well as in forest management decision making. In particular, Mike viewed the participation of Aboriginal youth as an integral component of the future of Aboriginal involvement in all aspects of natural resource management. One of sustainable forest management's strongest supporters, Mike began his career with his graduation from the University of New Brunswick, Faculty of Forestry. Shortly thereafter, Mike was applying his forestry knowledge with the Ontario government in forests across northern and northwestern Ontario. As a Registered Professional Forester (RPF), Mike would become well known in government and the forest industry.

His passion and love for the forest, coupled with a gifted ability to bring together diverse peoples from all walks of life, along with their differing perspectives and viewpoints, will continue through the ongoing progress and future achievements of the Canadian Model Forest Network, and all Canadian Aboriginal youth who benefit from his legacy.

The J. Michael Waldram Memorial Model Forest Fellowship is valued at \$1,000. It is open to all Canadian Aboriginal youth enrolling in at least their second year in either a degree or diploma program in natural resource management at a Canadian university or college. The Fellowship is jointly administered by the Canadian Institute of Forestry (CIF-IFC) and the Canadian Model Forest Network (CMFN).
