Employment Opportunity: Forestry Project Manager

DWB is seeking applications for **Forestry Project Manager Positions** in our Prince George, Chetwynd and Burns Lake offices.

These are full-time positions and will be a mix of field and office-based work. Field work will often be camp based. Starting dates are negotiable, but ideally the successful candidate(s) would be in place prior the summer 2022 field season start in May.

Qualifications:

- Minimum 3 years' experience in multi-phase development projects
- Willing to work both in the office and in the field in camp settings
- Experience supervising field crews and mentoring junior field staff
- Safe working mindset
- Valid Class 5 driver's license
- Preference will be given to those candidates eligible for registration with the Association of BC Forest Professionals (ABCFP).

Responsibilities associated with the position:

- Quality control; ensuring field work meets client standards and specifications
- Managing project deliverables to clients and ensuring projects meet timeline expectations
- Field work including timber reconnaissance, layout, timber cruising, site plan data collection, riparian assessments and quality audits
- Liaising with MFLNRO staff for field audits and appraisals, where required
- Writing site plans
- Cutting Permit Administration

DWB can offer you a very solid foundation to launch your forestry career. DWB offers a competitive salary and health benefits package. Where applicable, DWB offers a moving allowance to assist with travel expenses for summer or full-time work (claimed only after 3 months of employment). DWB also offers a year-end employee bonus subject to company policy. DWB covers the cost of annual professional dues and professional development courses for full time staff.

Closing Date for receipt of resumes: January 31, 2022.

Please email cover letter and resume (with references) to: Laura Kozak, RPF, RPBio
E-Mail: lkozak@dwbconsulting.ca

DWB would like to thank all those that apply but will only be contacting those candidates who are short-listed for an interview. Please submit a resume and cover letter to the email listed above with "Forestry Project Manager Application" in the subject line.
