VOYAGEUR TRAIL ASSOCIATION
HIKING SINCE 1973

# Voyageur Trail - Incredible

- True Wilderness Trail
- Association built on Bruce Trail model
- Supports clubs, organizations, communities and individuals who build and maintain the trail
- 18 different sections from Sudbury to Thunder Bay
- Exhibits Northern Ontario
- Opportunities for hiking, backpacking, birding, camping, snowshoeing, and wildlife viewing.

# Relationship with Forestry

- Listed as recreational value in Forest Management Plans
- Verbal and written landowner agreements on private property
- Generally the trail is closed when harvesting in the area
- And reopened afterwards unless….

Blazed tree cut

Harvesting (clearcut) right up to trail

Logging right up to trail. Apparent skid trail with ruts within the AOC.

Slash on trail and blazed trees removed.
